

STEP 1 • OF 6

LET'S SET UP YOUR YEAR

Tell us what you teach.

Pick every subject you plan with Aruvi. You'll only do this once.

Science

Which chapters do you plan to teach?

Pick the ones coming up – one or a few. Only the chapters you add appear here; this is your plan, not the whole textbook. You can always add more later.

+ Add a chapter...

What is the duration of your classes in Science?

Most teachers have just one. Add another only if some classes run longer. Three show at a time – tap “list more durations” for the next set.

GRADE VI

Choose your class durations

☐ 30 minutes

☐ 35 minutes

☐ 40 minutes

☐ 45 minutes

list more durations →

Done

Which sections do you teach in Social Sciences?

Choose the sections you take for each grade. Three show at a time – tap “list more sections” for the next set.

GRADE VII

Choose your sections

A

B

C
